Teacher Recommendation Form

Student's Name _____

School _____

Current Grade 4th 5th 6th

The above-named student is applying for a summer enrichment program sponsored by Orbit Education Inc. and the Georgia Space Grant Consortium, Aerospace Engineering at Georgia Tech. Summer enrichment programs are open to students who display a keen interest in mathematics, science, or engineering. This program is NOT exclusively for the gifted and talented. In fact, we encourage students of average ability who might benefit from the recognition and enrichment this program offers. Your comments count heavily in our selection process, so please take time to write fully and candidly about this student. Recommendations should be completed by a science, mathematics, or technology teacher and e-mailed to:

aesummercampinfo@gmail.com

After checking the appropriate boxes in the grid provided, please use the bottom of this form to write any comments. If you have checked any box "below average", please explain. Thank you for your help in evaluating this student.
